## Farm Update

The Pumpkins are continuing to grow and we anticipate a great crop! Spending family time at the farm picking out the “perfect pumpkin” is always fun and creates lasting memories!

This fall, we will be selling ready picked apples once again and local cider. Mark your calendars for Sunday September 20. That day will be a cider making event on the farm. You can watch firsthand how cider is pressed and buy some tasty cider to take home!

*Our new giant pumpkin patch is really taking off! – drive by the farm and check it out!*

**From our Family to your Family:**

We are pleased to be able to open our farm to you. We take pride in our products and service and hope you enjoy them! We remind everyone to be kind to each other and do their part during this critical time of Covid.
