We are open Holiday Monday Farm Update

The Pumpkins are coloring up and are almost ready for picking!! Check in with us late September for picking dates.

We have ready picked apples available! Now selling 2L and 4L sizes of Gingergold and Zestar apples. Gingergold is a nice crunchy apple in the family of Golden Delicious. It is a great fresh eating apple and is amazing in baked goods and sauce! Zestar is best enjoyed for fresh eating. We will have more varieties soon – keep checking in with us ☺

Fresh crop of Apples: Gingergold (on left) and Zestar (on right).

It is back to school time and nothing beats fresh crunchy apples for your children to enjoy! Also consider baking up some apple muffins or try your hand at homemade applesauce.

Farm Events

Sunday September 20th

Geissberger Farmhouse Cider will be pressing our apples and packaging it into their unique cider in a box format – available for purchase. Check out their website –
